

WE DID IT!

On Sunday 7th May, our team of 9 from West London took on the Tough Mudder to raise money for three wonderful charities. The challenge tested our teams mental and physical strength through 3 hours of obstacles, steep hills, deep mud and freezing water.

As always, we rose to the challenge, through the highs and lows, and against all odds managed to finish as a team. As promised – here is the photographic evidence of the team looking cold, wet and very very muddy!

DONATE

We would like to say a massive thank you to everyone who has supported us in raising money for these three charities, very close to our hearts.
